ATTENTION DIVORCED PARENTS OF MINOR CHILDREN: Please be advised you will need to provide Family Psychiatry of The Woodlands (your provider) with a court recorded copy of your final divorce decree with cause number located on each page. This is to verify which parent has mental health/psychological rights to the minor child. A minor child will not be seen if we are not supplied with the divorce decree. If the mental health/psychological rights have been modified in a modification order, you will need to bring both copies to the minor child's appointment, original divorce decree and original modification order. Again, both orders must be filed with the court and have a cause number for verification purposes. (Attorney's initial court filing copies will not be accepted.)

IF YOUR CHILD IS ADOPTED: You will need to provide us a copy of court recorded adoption papers with cause number located on each page. This is to verify that the child is legally in your custody.

We understand that the above can be a burden. However it is in everyone's best interest that we follow the law in regards to whom parents have mental health/psychological rights to the child.

We are committed to providing our patients with the best possible care and we are pleased to discuss our professional services with you at any time. Your clear understanding of our Office Procedures and Financial Policies is very important. All patients must complete our "Patient Information Form" before seeing the Professional

Payment of services is handled prior to your session. We accept cash, Visa, MasterCard, Discover, American Express, and Debit. Your insurance company mandates you must pay your co-payment at the time of service. If you cannot pay, you may be asked to reschedule.

We charge for missed/cancelled appointment, *unless* cancelled at least 24 hours in advance. Our policy is to charge \$50.00 for missed/canceled appointments. Please do not rely on appointment reminder calls, as this is a courtesy. Having 3 or more no shows or cancellation of appointments can result in termination of treatment. Please help us serve you better by keeping scheduled appointments. NOTE: You may be asked to reschedule if you are more than 15 minutes late for your appointment. If you feel you were charged in error, please discuss this matter with our office manger.

We charge a service fee for certain form and/or letters that must be completed for a patient. Full one-month prescriptions will not be released without payment. We also require Self-Addressed, Stamped Envelopes for mailing prescriptions.

If you choose this office will provide you with a completed receipt showing charges, payments, which you may file with your insurance company.

Childcare is not provided for children. Please do not leave children unattended in the reception area.

All Medicaid patients must present the current, monthly Medicaid Letter (not an Insurance card) at every visit as mandated by Medicaid or the visit will be rescheduled without exception.

REGARDING INSURANCE ASSIGNMENT

We will only file claims with insurance companies we are contracted with. In order to achieve this, we must have all current insurance information on file.

If there are any changes in your insurance coverage, you must notify our Business Office 5 days prior to your next appointment or the visit will be self-pay or rescheduled.

The patient must stay current with the payment of their deductibles and co-payments. All information this office gives in reference to your insurance coverage is based on information obtained from your insurance company, is only descriptive of your benefits, and is not a guarantee of payment by your insurance company. An insurance company may quote benefits and give authorization, but clearly state in their disclaimer this is not a guarantee of payment. Therefore, any amount we collect at the time of service or quote as your responsibility is any estimate only. You are ultimately responsible for any and all balances on your account.

Should you have any problems regarding your account or about the filing of claims, fees, or billing records, please do not hesitate to ask our Business Office Staff.
